

# DAISY'S DOODLES

## Notes for kids from Daisy the Camp Dog

de Benneville Pines UU Camp and Learning Center  
41750 Jenks Lake Road West, Angelus Oaks, CA 92305

Dear Camp Friend - My name is Daisy Doodle, and I am still the luckiest dog **EVER!**

*I learned how to help in new ways.*

**Wow! I have learned so many things in the past year.**

At Camp de Benneville Pines, things have been really different. For my whole life (until last year), Summer has been busy with lots of kids coming to Camp.

You were not here last year, and this year we cannot have Summer Camps again. It makes me sad to not see you.

But, you know what? All of these changes have taught me things. I have learned to be patient. I have learned that it is okay to be sad and to find ways to help instead of complaining. I have learned how much I love the people around me. And how much they love me.

And when I see you again, I will be grateful for every hug I get.

### Did you know?

The *Vernal Equinox* is March 20th. That is the scientific word for the first day of Spring. *Equinox* means equal night, because the daylight and nighttime are both about 12 hours on that day. *Vernal* means fresh or new – just like Spring!

### Come visit my friends and me at Camp Connections 2021

It's almost Spring. Then comes Summer. Since we can't have an in-person camp this year, you get to go to **Virtual Camp** again. It's not the same as sleep-over camp, but it is still fun. Plus, you get to see old friends and meet new ones.

**Virtual UU Elementary Camp Connections** is the week of July **11th, 2021**. My people are still working out all the details. When they decide which days and times camp sessions will be, you can find the information on our website [www.uucamp.org](http://www.uucamp.org). They will also send an email to an adult person in your family.

Love,  
Daisy

# Take a Spring walk and discover what is new

- ✚ There are so many exciting things to see (and smell) in Spring. Take a walk with your family, and see what you can find. You might discover something different every day.
- ✚ Use the board below as a visual (eyes only-no picking up) scavenger hunt. Print a copy or have someone take a picture on their phone to take with you.
- ✚ **OR** - if you want to play a game like BINGO, make a copy for each person. You can cut out the squares, rearrange them and paste or tape them to another piece of (used) paper or cardboard so everyone's card is different
- ✚ When you get everything in one row, yell **WALK-O**.

W A L K - O
