"Developing" News!

Rev. Dr. Ashley Cleere, Executive Director

Kristin Ward has joined the NACCC as Director of Development and Communications. She will collaborate with the Board of Governors of the Congregational Foundation in leading fundraising initiatives and donor stewardship. Most recently, Kristin managed the Longest Day program for the Wisconsin Chapter of the Alzheimer's Association. Previously, she was a philanthropy relationship manager for the Girl Scouts of WI SE. She also owned a business, Joywerks, Ltd., in which she worked with small and mid-sized companies on website and marketing solutions, a role which will serve her well in enhancing NACCC communications.

We are excited about the energy and insight Kristin and Tracy Bernhardt, Development and Communications Coordinator, offer our publications and philanthropic objectives!

A Christian Ministry in the National Parks

Julie Robie, Missions Coordinator

Would you like to be a prayer partner for a team member during their 2023 ParkLife summer season?

An ACMNP Prayer Partner is:

Someone who takes an interest in the life of team members during the summer season to encourage and support them during one of the most transformative seasons in their lives. The main requirement of this role is committing to pray for your team member(s) throughout the entirety of their summer season, anything beyond this is optional! Some other ways you can support your prayer partner is sending an occasional word of encouragement (email, postcard, letter, text, call, etc.), sending a fun "welcome to the park" package, or simply letting them know you are available and care.

If you are interested, please contact [Kourtne Stenwall, Program Assistant](#).

Lay Ministry Training Program

We are currently accepting applications for participation in the third cohort which will begin in September 2023. Cohort C will offer Level 1 classes which include 10 sessions of learning. Level 1 is the Discipleship Level and is designed for the individual who wants to deepen their walk with Christ. Learn more on the [Lay Ministry Training Program](#) page of the NACCC website.
