→resources to share with your church←

September 2023

Hi everyone! We're introducing a new YRD Line design this month that we hope will assist you in passing along information about what's happening in the NACCC to members of your church. We'll still be covering the same topics and sharing the same types of information, but we'll present it in a more concise and easy-to-read format. As a valued member of your church, we remind you of the importance of sharing this information with those around you who may be interested. By doing so, you can help us spread the word and connect with our member churches. We thank you and your church for your participation, support, and dedication to the NACCC. As always, please feel free to reach out to me with feedback or suggestions for how we can continue to improve the YRD Line.
