## NATIONAL DOWN SYNDROME CONGRESS

National Down Syndrome Congress (NDSC) is dedicated to improving the world for individuals with Down syndrome. We are the leading national resource of support and information for anyone touched by or seeking to learn about Down syndrome. NDSC is proud to provide resources for people with Down syndrome and their loved ones throughout the lifespan, including:

- **Annual Convention:** NDSC hosts the largest family convention in the country where people with Down syndrome, medical professionals, educators, advocates, affiliates, friends, and families come together for the best week of the year!
- **NDAC:** National Down Syndrome Advocacy Coalition equips families, self-advocates, and allies with the tools to advocate for meaningful policy change on local, state, and federal levels.
- **Free** webinars hosted by renowned experts in both English and **Spanish**
- Connection to local affiliates through **Down Syndrome Affiliates in Action**
- **Educators Conferences** across the country throughout the year
- Scholarship opportunities for students to attend **inclusive postsecondary education programs**

**EDUCATE. ADVOCATE.  
EMPOWER. INSPIRE.**

The National Down Syndrome Congress Convention is the largest gathering of people with Down syndrome, their families, and professionals who serve the Down syndrome community.

Annually, we bring together more self-advocates attending the Youth & Adult Conference than any other event in the Down syndrome community, and our exhibit hall is where your products and resources will get noticed. The Exhibit Hall showcases a variety of different products, organizations, and services that our community has to offer. Convention attendees will be able to browse all the different booths, collecting information, samples, and making important connections.
